

Athletic scholarships at stake in high school all-star contest

By RICK MATSUMOTO
Star sports writer

Doug Seymour can't afford to be a flop in next Tuesday's high school all-star football game at Varsity Stadium.

As the most-sought-after prospect to come out of a Metro area high school in years, the 6-foot-3, 230-pounder from Western Technical School is in line for a full athletic scholarship at a number of U.S. colleges.

So far at least 15 schools in both the U.S. and Canada have approached him, including such prominent football institutions as Michigan State, Purdue, Maryland and Colorado.

With scouts from these schools sure to be in attendance at Tuesday night's contest, an outstanding effort will surely guarantee Seymour a "free ride" through college.

This, as any student who pays his own way through university can tell you, adds up to a considerable sum.

Western Tech, Seymour has been working out as a line-backer this week for the all-star game.

While Seymour will be the main attraction, the bird dogs also will be eyeing the 70 or so other players on the East and West teams.

"Our game last year and the previous all-star games opened up college careers for many boys spotted by scouts and coaches," said Ron Murphy, head football coach at the University of Toronto and co-ordinator of the game.

Many of the players also are likely to end up playing for Murphy's Varsity Blues. Eight from last year's game wound up in U. of T. uniforms.

While Murphy runs the show from the sidelines,

the coaching is handled by a staff of high school-teacher-coaches.

This year's coaches for the East team are Bev Sturgis of David and Mary Thomson, Andy Gibson of Sir John A. Macdonald, Frank Szewczyk of East York, Derek Bruce of Weston and Roman Pysanczyn of Western Tech.

The West team will be coached by Dave Garland of Westview Centennial, Gary Granmer of Emery, Mike Zaulauf of Martin Grove, John Tutty of Port Credit and Dave Contway of Michael Power.

The East team draws its players from Scarborough, York, East York, Toronto and three Catholic schools, St. Michael's, De La Salle and Neil McNeil.

The West represents North York, Etobicoke, Peel, Upper Canada College and three other Catholic schools, Chaminade, Brebeuf and Michael Power.

Game time is 8:30 p.m. Tickets are \$1 at the schools and \$1.50 at the gate.

No-hitter on last game of the season

Dave Amer, 13-year-old

Band needs \$2,000 for tour

The Westview Centennial Secondary School band needs \$2,000 to help pay for a recent tour in Austria. A fund-raising performance is being held at 8.15 tonight in Seneca College's Minkler auditorium, on Finch Ave. E. Admission is \$2 . . . If you want to learn how to be a majorette call North York's parks and recreation department at 225-4611 . . . More than 200 working and retired Metro policemen are expected at a reunion banquet tomorrow at the Metro Police Association's building on Yorklands Ave. The dinner is for all men who worked out of the now demolished Court St. police station.
